## *Dedicate a tree with the Northmoor Trust*

**If you're looking for a different way of celebrating a birthday, wedding, lasting anniversary or special occasion - why not dedicate a tree?**

More and more people are choosing to "say it with trees". It's a gift that will go on growing, year after year... ensuring that our woodlands are there for future generations.

This is a unique opportunity to dedicate trees on the Northmoor Trust Estate at Little Wittenham in Oxfordshire.

You will receive an attractive personalised certificate with your own special dedication to commemorate the tree or trees that have been planted.

Tree dedications are just £10 each, or for just £25, you can dedicate three.

Fill in the form overleaf including your name, address, the dedication you would like to have on your certificate, and your donation.

Post to the Northmoor Trust at the address overleaf.

An attractive personalised certificate with your own special dedication will be sent to you direct. Please ensure that you include your phone number or email address to allow us to contact you.

Please allow 21 days for delivery.

*Our aim is to establish a wood, and not just plant trees. In the early years some trees may be lost owing to natural factors. We will replace sufficient trees to ensure the wood is established although not necessarily all those lost. In years to come thinning of young trees may take place. In order to keep our woods as natural as possible, individual trees are not marked or identified in any way.*
